GREAT CURE

DR LELAND'S ANTI-RHEUMATIC BAND IS THE ONLY KNOWN REMEDY FOR Rheumatism, Gout and Neuralgia AND A SURE CURE FOR

All Mercurial Diseases.

It is a conveniently arranged Band, containing a medicated compound, to be worn a round the Waist, without injury to the most delicate persons, no change in habits of living is required, and it entirely removes the disease from the system, without producing the injurious effects arising from the use of powerful internal medicines, which weaken and destroy the constitution, and give temporary relief only. By this treatment, the medicinal properties contained in the Band come in contact with the blood and reach the disease, through the pores of the skin, effecting in every instance a perfect care, and restoring the parts afflicted to a healthy condition. This Band is also a most powerful airt. Meacural agent, and will entirely relieve the system from the permicolous effects of Mercury. Moderate cases are cured in a few days, and we are constantly receiving testimonials of its efficacy in aggravated cases of long standing.

SYRUP PECTORAL

ILPI INVITE ATTENTION to some of the mos PECTORAL SYRUP.

They are at home, and any one who has doubts can in-quire of the person who have been cured by it.

DR. KEYSER IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE; FOR ALL THOSE WHO NEED HIS MEDICINES.

Dr. Keyes: —My wife has been afficied with a bad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Gough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and get a dellar bottle, which cured her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a coled and cough. The medicine cured ms by taking one dose I express my entire satisfaction with the medicine, and you are at liberty to publish this if yeu desire to do so.

Alderman Fifth Ward.

PITTERURGE, Nov. 18, 1858.

DR. KEYEER:—Although not an advocate of Fatent Medicines, in general, it affords me pleasure indescribable to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

I have been, more or less, in my life, affected with the severest of colds and hoarseness. At times my throat would become so closed as to prevent my speaking above a whisper, and by taking a few doese of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONES.

Cashier Citizens' Deposit Bank.

BTRUBERVILLE, O., March 14, 1859

of several years standing, and can cheerfully say it
the best medicine for the same that I have ever taken.

J. W. PRICE.

COL. PRATT AND DR KEYSER'S PECTORAL SYRUP.—Dr. Keyser—Dear Sir: Excuse the delay of my seknowledging the excellence of your Pectoral Cough Syrup sessions. I take great pleasure in saying that it is all you say it is. Bknocked the noise out of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper. E. P. PBATT,

READ THE TRUTH.—Dr. Krysen: I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectorsl.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of he cough.

Bobinson street, Allegheny.

PITTSDUBGH, December, 31, 1853.

A GREAT CURE BY DR, KEYSER'S PROTORAL SYRUP.—I live in Peeblew township, Allegheny county. I had a coughing and splitting, which commenced acout the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PROTORAL COUGH SYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others wha it has done in my case. JOHN C. LITTLE,

PATTOR Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill; with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pectoral Byrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN' GINNIS.

ANOTHER NEW CERTIFICATE—DR. KEYBER'S PECTORAL SYRUP.—I had been troubled with a cough and cold for several weeks—so had was it that I could not aleep. I had the advice and prescriptions from three of the best physicians in the city, whom I could name, but do not do so. I finally procured a bottle of your Pectoral Syrup, which cured me entirely. Signed,

J. W. BIMONTON.

"STOP THAT/OUGHING."—'How can I do it?' "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desparate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully ceneur in the adviser's admenition as above, for we have tried the "Pectoral." in a most stabborn case, with entire subcess. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubdumble coughs we ever experienced since our advent upon this mundans sphere. We coughed steadily and laboriously for one whole week, in hopes of thiring it out, but it was no go. In fact it seemed rather to have improved by practice, and to have acquired strength, potency and distressfully by the operation. In this stage of the siege, we coughed our way to Keyser's, 140 Wood St.—procured a firty cent bottle of the "Pectoral;" took it according to directions, and in forty eight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drownsodle Clépper, Dec. 14, 1859.

And testimonials, new, and almost without number might be given from ladies and gentlemen in all grade, of society, whose united testimony none could resist, that Prof. Wood's Hair Bestorative will restore the bald and gray, and preserve the hair of the youth to cidage, in all its youthful beauty.

Battle Creek, Mich., Dec. 21st, 1838.

Prov. Wood: Thes wilt please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, at tended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me topay Briggs & Hodges almost the last cent I had on earth for a two dolfar bottle of thy Hair Restorative, about the first of August last. I have faithfully followed the directions, and the baid spot is now covered with hair thick and black, though shert, it is also confing in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to perseverve in its use an order on thine agents for a bottle, and receive to thyself, the scripture declaration—"the reward is to those that are kind to the widow and the fatherless."

Thy friend, Suf Annah Riber.

Algonier, Noble County, Indiana, Peb. 5th, 1859., Prov. O. J. Wood: Dear Ser.—In the latter part of the year 1859, while attending the State and National Law School of the State of New Tork, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from Battle Creek, Mich., Dec. 21st, 1858.

mate acquaintances were to recognize me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair would again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most retable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recom-mended its use to many of my friends and accumantances, who, I sm happy to inform you, are using it with like effect. Very respectfully, yours, Attorney and Counsellor at La
